Triple Inhaler

Diabetes Type 2

Age 18 and older
HbA1c levels 7%-10%
Evaluating a once weekly treatment

Depression

Age 22 to 64 years old
Major Depressive Disorder

Digital Therapeutic

Colorectal Cancer

Screening Diagnostic Kit

Age 65 and up
Scheduled for colonoscopy within 90 days of enrollment

Why Take Part in a Clinical Trial:

Be a Medical Hero

Eligible Participants may receive:

- Access to advanced medication or devices at no cost, if eligible
- Health insurance is not needed
- Completely confidential
- Study-related care from experienced healthcare professionals
- Thorough evaluation for everyone who takes part in a trial
This usually includes:
 - Physical Exam
 - Laboratory Tests
 - ECG, Blood Pressure
 - Complete history of symptoms and prior medications
 - Other appropriate diagnostic procedures required for indication
- Weekly visits with a board-certified doctor, ECG's, labs, and more, all to ensure safety and well-being
- Lab work is done in our office and is available to other physicians for coordination of care
- **Compensation at each appointment** approximately \$50-100 per visit for **eligible participants**
