

Do You Have Pain Due to Endometriosis?

Oviedo Medical Research, with the doctors of Block, Nation, Chase and Smolen Family Medicine, is looking for women to participate in a research study to evaluate whether an investigational medicine could reduce pain due to endometriosis.

To qualify, participants in this study will be women who:

- ◆ Are 18 to 50 years of age
- ◆ Experience painful symptoms due to endometriosis
- ◆ Have monthly menstrual periods
- ◆ Had surgery in the last 10 years to look at endometriosis
- ◆ Additional requirements apply

Please call 407-977-2705 or Rowena at 407-715-5099, or visit www.omrstudy.com for more information and to find out if you may be eligible to participate in the study.

If you are eligible, you will receive study medicine and study-related care at no cost to you and may be compensated for time and transportation.
