

Concerned about Low Libido?

**Are you a postmenopausal woman
concerned about low libido?**

If so, you could be eligible to participate in a clinical trial to evaluate an investigational medication consisting of a daily intravaginal insert for 28 weeks. You will have to undergo different tests at each visit and complete various questionnaires throughout the study.

To be eligible, you must:

1. Be a postmenopausal woman aged 40 to 80 years;
2. Meet the other criteria of the clinical study.

Financial compensation may be provided upon completion of the study.

For more information or to see if you qualify,
please call 407-977-2705 or Rowena at 407-715-5099.

This trial is sponsored by Endoceutics™ and has been reviewed by an independent Ethics Committee.
